

IMPORTANT: Do not change the size of this document or crop this page.

Changing the size will cause your proof to shift and print incorrectly.

Simply place your artwork inside the pink "PRINT AREA" below and save the PDF.

FRONT OF CARD

For Reference Only

Please bleed background color or images to the blue line.

The pink line represents the edge of the print area.

The green line shows the bevel area on the edge of the card.

Keep text and critical elements inside the green line.

The yellow shows the raised area that holds the drive.

Be aware that this will print on a slope.
